<b>Anonymous Alerts®</b>			
Safety and incident reporting mobile application and system.			
Students or parents in the school community can anonymously submit alerts about suspicious activity, safety threats, bullying, alcohol or drug use, depression, harassment, family issues, school shooter, campus safety concerns and self-harm issues to school administrators or counselors. Students can establish anonymous 2-way communications® with a school official about an incident. The Anonymous Alerts® mobile app is available for free to download from the Apple Store, Google Play store, and the Chrome store.
