

Region 13 Education Service Center Purchasing Membership 2021-2022

SERVICE ABSTRACT

Purchasing Membership 2021-2022

In the continued fight against COVID-19, ESC Region 13 is offering Personal Protective Equipment (PPE) to Local Education Agencies (LEAs), and Private Schools to protect staff, students and campus visitors. PPE will help protect staff and students from potentially infectious diseases and other potentially dangerous substances.

The goal of the cooperative is to bring value to cooperative Members by running RFP's for competitive procurement and then passing on savings to Members.
