Computer Hardware Warranty

For a three year period from the date of sale, M&A will repair or replace any computer hardware or parts (including mice, keyboards, and speakers), which M&A determines to be defective in workmanship or materials. This warranty does not cover software or software related problems, nor does it cover expendable accessories manufactured by third parties, including but not limited to batteries and headphones. M&A will pass on to the extent allowed all manufacturer warranties for uncovered peripherals and accessories purchased through M&A and manufactured by third parties. M&A's warranty policy and obligation will be fully documented in its Warranty and Service Agreement to be delivered at the time of sale.

Warranties for Peripheral Equipment

Equipment defects will be covered by M&A for 30 days after delivery (DOA coverage); the remainder of the Warranty Period is a direct obligation of the Manufacturer only. At the Customer's request, M&A will provide pick-up/return service in connection with the Manufacturer's warranty. This service will be provided at M&A's standard commercial rates.

Cancellation Policy

The buyer may cancel purchase orders at any time up to 15 days prior to the Required Date of Delivery, subject to a re-stocking fee of up to 15%. Thereafter, all orders become firm and non-cancelable.
