

# FUTURE READY LEARNING FAIR

**November 14**

**9:00–4:30 PM CST**

**ESC Region 13**

## Discover a world of innovative learning experiences.

Join us for a free event focused on equipping schools and families with innovative tools and strategies to empower future-ready learners!

- Explore an engaging exhibit hall featuring cutting-edge tools, programs, and resources to support advanced learning and innovation for today's K-12 students.
- Experience live demonstrations from exhibitors showcasing practical applications and solutions to help you stay ahead in preparing students for the future.

Don't miss this opportunity to connect, discover, and bring back actionable ideas for your campus, program or family!
