

**FAQ release February 24, 2021**

**RFQ #2021-01-22**

**Technology Services**

**Q1: When will the next RFQ be posted?**

- A. The next RFP is currently posted and can be accessed at: <https://www3.esc13.net/rfp>  
Technology Services - RFQ# 2021-01-22

**Q2: If the vendor is an approved vendor, which RFQ request should the vendor respond to if the vendor is supplying a resource?**

- A. Technology Services - RFQ# 2021-01-22 is a Request for Qualifications and any vendor wishing to be considered for this work must submit a proposal. Submitting a proposal provides ESC Region 13 with options, flexibility, and information to determine which vendor best meets the needs of ESC Region 13 and best meets qualifying criteria.

**Q3: The RFQ process includes the document titled Certificate of Notice of Eligibility. Can you confirm if this means we will need to run a background check on this talent? If yes, are you able to provide any additional information on what the BGC requirements and adjudication standards are?**

- A. The Certificate of Notice of Eligibility should be completed by the authorized official representing the organization submitting the proposal. The approved vendor for Technology Services - RFQ# 2021-01-22 will work directly with the employees of ESC Region 13.

**Q4: When is the RFQ application due?**

- A. The Technology Services - RFQ# 2021-01-22 accepts proposals on an on-going basis. Due dates vary depending on which "Round" the vendor wishes to apply under. Please see Section 1.06 KEY DATES.

Round 1 has expired. Round 2 Key Dates can be found on page 7 of 15 of the RFQ, along with subsequent rounds. This FAQ release is part of Round 2. The deadline to submit an RFQ proposal for Round 2 consideration must be submitted on or before April 9, 2021 by 12:00 pm (CST)
