FAQ Release 2022-02-25

**Division of System Support and Innovation (DSSI) SAF Technical Assistance Provider Pool
RFQ #2022-02-04**

Q1: **For the Overall Skills it says, "Please describe in no more than 1 page and link or indicate 3-5 relevant artifacts after each section." Is that 1 page total for overall skills or one page per skill listed?**

A. No more than one page for the Overall SKills section.

Q2: **Does approval for the two partner actions mean that we could potentially be matched for the ECE partnership action too?**

A. Yes, it does.

Q3: **For the itemized budget- are we to itemize the percentage (ex: if as part of the overall grant, our costs are 10%- are we to itemize the 10%)?**

A. The "detailed line item budget for addressing the scope of work" should include anticipated costs to provide the services relevant to the specific action for which the organization is applying to be a Technical Assistance provider.

Q4: **In the "overall skills" section of the RFQ, it states that we must demonstrate our expertise in 4 areas and no more than 1 page per area. However, in the "guidelines and criteria (1.10.09)" section of the RFQ, it states that the proposal should be no more than 2 pages in length not including the cover page.**

A. Please refer to section 1.10.07 Proposal Narrative for specific page requirements
